PRE – BID Meeting Clarification

Sl No	Content of Qualification criteria	Changes Requested / Clarification required	Clarification issued / to be read as / amended as
1	3.2 To qualify for award of this contract, each Tenderer in his name should have in the last five years i.e., 2021-22, 2022-23, 2023-24,2024-25 and 2025-26: c) Executed in any one year, the following minimum quantities of work: (80% of the total quantity of the estimates) 1. De-weeding of Water Hyacinth from water spread area -86,85,896 Sqm or De-weeding in Marshey area 3. Conveyance of silt in urban & semi urban limits for at least - 15.00 - KM	The Bangalore Development Authority (BDA) has recently notified the tender for the Maintenance of Varthur Lake, wherein the stipulated quantity under the Water Hyacinth removal item & Conveyance of silt in urban & semi urban limits is comparatively high and is presently affecting our eligibility under the prescribed tender criteria. However, we fulfill all the other eligibility and qualification requirements specified in the tender.	While uploading DTS, the quantity of Water Hyacinth is 86,85,896 Sqm. The error due to typographical error. Hence, this criteria is amended as below : 1. De-weeding of Water Hyacinth from water spread area – 6,85,900 Sqm or De-weeding in Marshey area.
2	3.2 To qualify for award of this contract, each Tenderer in his name should have in the last five years i.e., 2021-22, 2022-23, 2023-24,2024-25 and 2025-26: d) Should have satisfactorily completed similar nature of work in urban lakes having extent more than 100 Acres.	which includes the removal of water hyacinth in amounts that exceed our eligibility criteria. Furthermore, the specified disposal distance and the lake area considered for eligibility are also quite extensive. Nevertheless, we fulfill all other eligibility requirements for this tender. Given our experience managing numerous lakes under difficult circumstances, we respectfully request your consideration for a relaxation of the water hyacinth removal quantity, disposal distance, and lake area eligibility criteria.
